Ages

Pull Along Pelican toy with wheel moving toys with rope.

- **We use non-slip Plastic wheels. It can walk steadily on a wooden floor or smooth marble and grass; it won't skid.**
- **While Moving, it produces some rattling sounds which attract children's attention.**
- **These will help the little ones to develop their sense of touch and knowledge of shapes and colors. No batteries.**
- **Colorful, easy ball rolling wheels encourage crawling & chasing fun, strengthening gross motor skills, balance & coordination.**
